MALAYSIA ON A PLATE

At the Kuala Lumpur Convention Centre, we go beyond event hosting – we are dedicated to preserving our rich culinary history and heritage while championing sustainability.

Our menus showcase dishes that emphasise the use of the freshest, locally sourced ingredients. In our halal-certified kitchens, our award-winning chefs take an artisanal approach to create memorable culinary experiences for our guests.

Our culinary collection draws inspiration from our rich history and cultures, from the tropical abundance of the Malay Archipelago to the influences of Chinese and Indian cuisines, infusing Malaysian cuisine with tastes and flavours that define our culture today.

Dedicated to cultivating healthy meeting environments to improve delegate productivity, and creating positive event memories, we provide healthy choices for our guests and actively contribute towards making events more sustainable.

WHAT OUR CLIENTS SAY

The AVPN team is immensely grateful for the exceptional support provided by the Kuala Lumpur Convention Centre. Their professionalism, flexibility, and understanding made the planning and execution of the AVPN Global Conference 2023 a seamless experience. The Centre's team demonstrated a high level of expertise, kindness, and warmth throughout the entire event. It was a pleasure to work with them." – Christina Ameln, Project Director & Advisor – Vietnam, AVPN

CHRISTINA AMELN
Project Director & Advisor
(Vietnam, AVPN)

"The Centre's strategic location is an absolute gem, complemented by its remarkable facilities. The convenience of on-site hotels, in the heart of the city, provides an unmatched experience, allowing our exhibitors, visitors and delegates to stay close to their clients. What sets them apart is their unwavering 'never say no' attitude, a rare quality that we seldom encounter elsewhere. Our event is undeniably demanding, yet the staff rise to the occasion, surpassing all expectations. It is a testament to their dedication and commitment to excellence.

PAUL HARWOOD
Managing Director, Westrade Group Ltd
(International Exhibition & Conference Organisers)

"The Centre's commitment and passion towards sustainability are well-aligned with our objectives and goals for Malaysia International Food and Beverage Tradeshow this year and future editions. It was a delight working with a venue that has sustainability solutions as part of its offerings to event organisers. As a result, we were able to process over 100kgs of food waste into organic compost. The team's expertise, guidance, and reliability put us at ease throughout the whole process. We are very much looking forward to returning to the Centre for our 2024 show.

HELLEN WOON
Event Director

SUSTAINABILITY

Stringent segregation programme applied to the public and back of house area to maximise recycling and diversion of waste to landfill.

We are committed to our pledge to achieve the global goal of Zero Net Carbon through a stringent plan to reduce energy consumption by 15% within 5 years.

First venue in Malaysia to partner with Food Aid Foundation to donate excess food to local communities.

Adoption of AI-Powered system to manage and control food waste management and to increase yield management.

Venue is designed to be energy-saving with glass wall to maximise use of sunlight, uses LED lighting and is powered by renewable energy to cut carbon foot print.

Our zero-energy rain harvest system relies on gravitational force and can harvest up to 4,000 gallons of water annually.

We actively give back to community with programmes that support various organisations centered on education, health, and well-being.

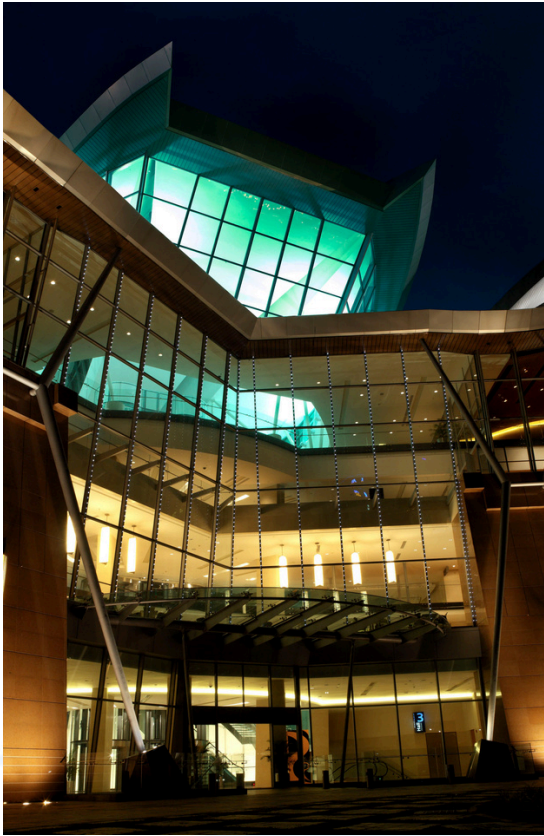

Continuous focus to eradicate the use of single-use plastics.

Our Sustainability Team engages and helps event organisers at every stage of planning to reduce waste and to adopt the 5Rs principle: Refuse, Reduce, Reuse, Repurpose & Recycle

The first business events and tourism venue in Malaysia to achieve EarthCheck Gold Level Certification & Healthy Venue's Bronze Accreditation.
